Colleagues and Friends,

Centre for Dental Education and Research, All India Institute of Medical Sciences, New Delhi, in collaboration with Indian Orthodontic Society is organizing National Training Programme on Cleft Lip and Palate.

The thoughtfully crafted programme encompassed lectures and integrated with hands-on training which will be conducted by the expert faculty from varied disciplines chosen from across India.

With an experience of an interdisciplinary cleft clinic at AIIMS since 1985 and vast international exposure, and having initiated the first ever

Fellowship in Cleft and Craniofacial Orthodontics at CDER AIIMS is the right place for you get enriched with all aspects of cleft care.

I am sure you will not like to miss this unique opportunity.

Best wishes

Prof. O.P. Kharbanda
